

MILLIONS FOOLED BY A MYTH

- It is clear to me that the seventh-day of the week, Saturday, is the true Bible Sabbath.
- It is my desire to follow Jesus' commandments, rather than the traditions of men.
- I want to enjoy all the blessings that keeping God's seventh-day Sabbath can bring. I choose to begin now to keep the seventh day holy as an expression of my love for Jesus and desire to spend time with Him.
- I would like to request special prayer for my Sabbath-keeping needs.
- I would like more reading material on this subject.
