

My Decision for *Jesus*

- It is clear to me that a remnant is an authentic continuation of the original, and that in the last days the pure faith of Jesus is to be once again taught.
- I want to follow Jesus completely and be a part of His last-day remnant who are described as keeping the commandments of God and the faith of Jesus.
- I would like to be part of a world-wide movement that fits this prophetic description, the Seventh-day Adventist Church.
- I would like more information on this subject.
